  - Comprehensive safety equipment
  - Unmatched Capability led by 4-, first-in-class intelligent terrain management technology
- **First body-on-frame SUV to secure a 5-star rating** in the Global New Car Assessment Programme's (GNCAP) new crash test protocols, which came into effect on 1<sup>st</sup> July 2022.

The highly anticipated SUV will be available at an attractive starting price of NPR 81.50 Lacs (ex-showroom Kathmandu).

**Kathmandu, July 7<sup>th</sup>, 2023:** Mahindra, leaders in the SUV segment in Nepal, today announced the launch of its latest offering, the all-new Scorpio-N, in Nepal. Following the successful launch of the Scorpio-N in India, South Africa and Australia, Mahindra now continues its global foray with the introduction of this iconic SUV in the Nepalese market. The all-new Scorpio-N is being launched at an attractive introductory launch price starting at NPR 81.50 Lacs (ex-showroom Kathmandu).

•  
Nepal holds significant importance to the overall global operations of Mahindra, making it a critical market for the company's success. Mahindra has established a strong presence in Nepal for over 30 years. Scorpio-N is the latest addition to Mahindra's SUV lineup in Nepal, showcasing the brand's distinct identity with the iconic 'Twin Peaks' logo. The All-New Scorpio-N builds upon the iconic Scorpio brand, renowned for its exceptional off-road capability. With the launch of All-New Scorpio-N, Mahindra has expanded its SUV network into Kathmandu, Itahari and Dhangadi.

The company's aim is to create delightful ownership experiences and redefine the SUV market with authentic, tough, yet sophisticated SUVs. The All-New Scorpio-N is a testament to this commitment, disrupting existing product category hierarchies and setting new benchmarks for performance, capabilities, technology, sophistication, ride and handling, NVH, interiors and appearance.

The all-new Scorpio-N has quickly gained global recognition and achieved remarkable success in the automotive industry, captivating enthusiasts and winning over consumers in every market it has entered. In India, Scorpio-N received an overwhelming response, with a record-breaking 100,000 bookings in less than 30 minutes. Similarly, in South Africa, Scorpio-N has received a very positive response from customers since its launch, symbolising its global appeal.

Sachin Arolkar, Head, International Operations - Automotive Sector, Mahindra & Mahindra Ltd. said, "We are excited to bring the highly anticipated All-New Scorpio-N to the vibrant market of Nepal. With its unmissable design, sophisticated ride and handling, thrilling performance, advanced technology, reassuring safety and of course, its terrain-conquering abilities, the All-New Scorpio-N represents a new era of authentic SUVs from Mahindra. Building upon the incredible legacy of the Scorpio brand, the All-new Scorpio-N takes capability to the next level and sets new benchmarks across all critical parameters. We are confident that the All-new Scorpio-N will resonate with customers in Nepal who appreciate toughness, performance, and unmatched adventure."

Cabinet Shrestha, MD, Agni Group, said, "Today, we are proud to present the All-new Scorpio-N to sophisticated SUV enthusiasts in Nepal. Scorpio-N is engineered for adventure and tested in the most challenging terrains across the world. In addition to expanding the SUV product range in Nepal, Agni Group has also focused on expanding the Twin Peaks network. The objective is to provide an unmatched customer experience to SUV buyers in Nepal."

The all-new Scorpio-N comes with an attractive 3-years/100,000 km warranty plan.

### About The Scorpio-N

Bigger, bolder, more powerful, sophisticated, and laden with safety and technology, the Scorpio-N nomenclature was carefully chosen to represent the fact that it raises the game to the power of N.

### Unmissable presence

The Scorpio-N takes the machismo factor to a whole new level. The **signature wheel arches have been made even more muscular**, taking inspiration from the sinewy silhouette of a swimmer. A metallic Scorpio tail element is seamlessly integrated into the beltline, swinging all the way to the top of the window, giving the Scorpio-N more of a sting. The commanding nature of design effortlessly translates into the front as well. The **Scorpio character is omnipresent** as the tall, stacked taillamp design creates a **commanding stand on the rear, as in the front**. The All-New Scorpio-N will be offered in 5 body colour options: Deep Forest, Napoli Black, Everest White, Red Rage and Dazzling Silver.

### Premium crafted interiors

The All-New Scorpio-N is as **captivating on the inside as it is on the outside**. The Scorpio-N **greet passengers with top notch craftsmanship** – rich coffee-black leatherette upholstery, a best-in-class command seating position, a center console encased in robust metal finished dual rails, an advanced infotainment system and more, taking **premiumness to the next level**. The interiors of the Scorpio-N are designed and fettled to offer a highly sophisticated sensation, delighting the driver and passengers alike.

### Thrilling performance

The All-New Scorpio-N is engineered for those looking for a new-age authentic SUV. Built on our **new third-generation body-on-frame platform**, the Scorpio-N boasts of class-leading structural rigidity, off-road capability and exemplary on-road manners. The Scorpio-N is powered by a mHawk (Diesel) engine with 128.6 kW (175PS) of power and 400 Nm torque, offered in both 6-speed Manual and Automatic Transmissions, and 4X4 as an option.

### 'Go Anywhere' Capability

The All-New Scorpio-N is designed to **rule all terrains** with **4XPLORE**, first-in-class intelligent terrain management technology. With a mere touch, the electric shift-on-the-fly 4Wheel Drive System transforms the Scorpio-N from 2WD mode into an all-conquering, capable 4WD beast.

The Scorpio-N has recently set a new GUINNESS WORLD RECORDS™ title for the "Fastest crossing of the Simpson Desert by a production vehicle". This achievement was accomplished shortly after the Scorpio-N's recent launch in Australia, which presented the SUV's outstanding capabilities and reliability as the team blazed through the challenging terrain of the Simpson Desert at record-breaking speed.

### Advanced tech

The All-New Scorpio-N scores high on technology, offering an unmatched value proposition for urban and tech-savvy customers looking for engaging with their SUV to the next level.

The gateway to this impressive line-up of future-ready experiences is through an integrated 20.32 cm infotainment screen

### Intuitive Safety

The Scorpio-N features 6 airbags for the occupants; Driver, Passenger, Side and Curtain airbags. The SUV is equipped with disc brakes on all four wheels and hydraulics brake assist and electronic brake pre-fill. Incorporated in the design is 73% of the structure being made from high-strength steel and 3 structural zones to improve the crash performance.

To add to the safety features, the standard Electronic Stability Programme (ESP) features an automated brake wiping system that cleans the brakes of debris every few seconds in wet conditions.

The Scorpio-N also comes standard with ISOFIX child safety anchorage points and a host of other safety features. The All-New Scorpio-N has achieved a **5-star and 3-star rating for Adult**

and **Child occupant safety** respectively. Moreover, Scorpio-N also complied with additional tests including pole side impact, pedestrian protection UN127, electronic stability control (ESC) according to GTR8 and its fitment, and side head protection airbag fitment. As a result of this, the Scorpio N became the **first body-on-frame SUV** to achieve **5-star rating** in the new GNCAP’s crash test protocols.

### Sophisticated Ride and Handling

The All-New Scorpio-N uses the most sophisticated technologies available to offer **benchmark driving dynamics**. The latest generation body-on-frame structure has been optimised to offer remarkable levels of dynamic competencies and assured handling capabilities. Additionally, the penta-link rear suspension features watts link mechanism to offer a confident ride and handling attributes. The first-in-segment **Frequency Dependent Damping (FDD)** technology, in combination with the Scorpio-N’s advanced shock absorbers featuring MTV-CL technology, is devised to offer a smooth, comfortable ride experience. The **steering setup** is remarkably smooth and responsive for a vehicle in its category, and All Four Disc brakes ensure an exhilarating yet safe drive.

### Clean conscience

The All-New Scorpio-N has the **lowest CO2 emissions in its segment**. This has been achieved through competent engineering and product development right from the outset. Moreover, several sustainable technologies have been adopted in metallurgy and component optimization, such as the latest generation dip paint (CG 800 CED coating) and low RRC tyres to lower CO2 emissions, and LEDs to reduce the overall energy consumption by 10 percent. In addition to this, M&M has consciously adopted several environment-friendly manufacturing processes under Mahindra’s goal of moving towards carbon neutrality.
